Dear ██████████

**Independent Evidence Review of Protected Site Management on Dartmoor – Submission by Natural England**

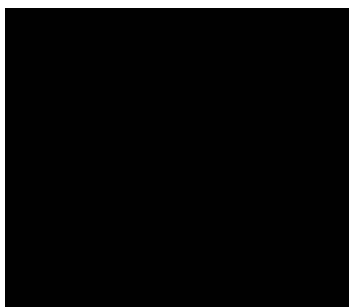

Please find attached a submission from Natural England to the Independent Evidence Review of Protected Site Management on Dartmoor.

Our answers to questions from the Review Panel to Natural England are provided as an appendix.

We will be happy to provide further evidence or clarification if required, for example about the scientific evidence or about our statutory duties and are ready to meet the Review Panel if that would be helpful.

We look forward to the published Review.

Yours sincerely

Programme Director Greener Farming and Fisheries
